Exchange	Does your exchange trade UCITS?	If so, in which table(s)?	How do the market operators interact?	Do post trading services differ to the Equity market post trading services?	Electronic trading platform. Is it the same as the equity trading platform?	Price formation rules	Currencies traded	Domestic / Foreign based funds?	Plans to establish an Exchange traded market in UCITS?
<b>NASDAQ OMX Copenhagen</b>	Yes	9	Investment funds have full access to a very competitive STP infrastructure where NASDAQ OMX and VP handle all services demanded by the investment funds. All funds have Market Makers. End-investors trade through AOR systems	Same as equity market	It is the same as the equity trading platform	They are traded closely to NAV. NAV is disclosed three times a day to the investor (minimum)	Yes, some are traded in NOR	430 - 5	N/a
<b>Oslo Stock Exchange#</b>	No	N/a	N/a	N/a	N/a	N/a	N/a	N/a	No
<b>SIX Swiss Exchange</b>	Yes	9a and 9b	Central Limit Order Book	Same as equity market	It is the same as the equity trading platform - CLOB (Central Limit Order Book)	Please look at <a href="http://www.six-swiss-exchange.com/download/about/publications/guide_funds_en.pdf">http://www.six-swiss-exchange.com/download/about/publications/guide_funds_en.pdf</a>	Only in CHF	N/a	N/a
<b>Wiener Börse AG</b>	Yes	9a and 9b	Market Making by Stock Exchange Members	Same as equity market	Xetra, yes	Continuous Trading (in combination with several auctions. Orders are executed according to price/time priority. Auction (single intraday auction):- The auction price is the price at which there is the largest volume of executable orders and the smallest order surplus per limit in the order book. Currently all UCITS are traded Continuous Trading	No	100% Domestic	N/a
<b>Warsaw Stock Exchange</b>	Yes	9a and 9b	Market Makers	Same as equity market	It is the same as the equity trading platform	Same as equity market	Domestic in PLN	100% Domestic	N/a

## Conclusions

---

- In most cases , cleared and settled in the same way as equities
- More domestic funds are traded than foreign
- No significant changes planned for the trading of UCITS in the future
